

# Take up to a \$1,000,000 Section 179 tax deduction

Businesses have significant reasons to acquire and install capital equipment before the end of 2018, so plan now to maximize these important benefits.

## Section 179 deduction

- Companies can expense up to a \$1,000,000 deduction on new or used equipment
- The maximum equipment investment amount eligible for the full \$1,000,000 deduction is \$2.5 million before a dollar-for-dollar phase-out begins

## Bonus depreciation

- Additional deductions may be available if you qualify for bonus depreciation
- Take an additional write-off of 100% of the undepreciated balance of capital expenditures and depreciable property (new & used equipment)
- Equipment must be depreciable under the Modified Accelerated Cost Recovery System (MACRS) with a recovery period of 20 years or less

Speak to your tax and accounting advisors today to learn more about maximizing these and other incentives.
